

Get On The Path To A New Career!

“OTI gave me the necessary information and skills to succeed in the construction industry.

I would advise other women that if you want a better way of life for you and your family to get into a career in construction. You will have the chance to better your financial situation.

The work you do will leave you feeling rewarded and proud of yourself.”

Shondra Washington, OTI TACC Graduate

Shondra was 29 years old with an infant son when she entered Oregon Tradeswomen’s Pathways to Success Program. Shondra is now working as a Tree Trimmer Apprentice and her pay started at \$21/hour!

Find your path to a career in the skilled trades with Oregon Tradeswomen!

- We offer a FREE 7-week, Oregon State Apprenticeship Agency-certified, pre-apprenticeship training program, (Trades and Apprenticeship Career Class (TACC)), for self-identified women
- Our TACC class meets Tuesdays, Wednesdays, and Thursdays from 8:30 am – 4:00 pm and will be offered five times through 2017-2018:
 - o January 16 – March 1, 2018
 - o July 10 – August 23, 2018
 - o October 2 – November 15, 2018
- The program provides career education, basic skills training, field trips to explore different trades, strength training, classroom instruction, individualized career counseling, and job placement support.

Secure your own future!

- 86% of TACC graduates are placed into high-paying, high-skilled careers with benefits!
- The average starting wage for TACC graduates is \$15.67 per hour and can go up to \$22-\$45 per hour during a 4-5 year apprenticeship
